June is Adopt a Shelter Cat Month

Adopting from SAFE Haven is fun and easy!

60-Second PSA

June is Adopt a Shelter Cat Month and adoption from SAFE Haven for Cats is fun and easy.

Special activities for June include discounts on adoption fees, free cat food, and toys for every cat. Every adopter will be entered into a drawing for a free Pet Portrait by Elizabeth Galecke Photography.

The shelter is clean, brightly lit, and family friendly with smiling faces and happy-to-see-you cats and kittens.

The Meet Your Match adoption program assigns each cat one of nine feline-alities. Some examples include the shy, but sweet “Secret Admirer,” the naturally playful and curious “Sidekick” and the big cat on campus, “Leader of the Band.” This unique process makes it easy for you to complete a brief survey, meet all your kitty matches and choose the perfect cat or kitten for your family.

So visit SAFE Haven for Cats at 8431-137 Garvey Drive, in North Raleigh during the month of June and find your lifelong friend. For more information visit www.safehavenforcats.org or call 919 872-1128.
