Please purchase tickets for the **Fifth Annual Tuxedo Cat Ball**. This event is vital to the mission of SAFE Haven for Cats and the SAFE Care Feline Spay/Neuter Clinic. In fact, the Ball is our largest fundraising event each year!

The funds raised from this event will allow us to:

- ✦ Expand the SAFE Care Clinic, hire another veterinarian and sterilize 3,000 cats yearly in our community.
- ✦ Rescue and adopt 650 cats yearly by expanding adoption hours at the shelter and PETCO.
- ✦ Reduce euthanasia of adoptable cats by continuing to rescue cats from the Franklin County Animal Control Shelter.
- ✦ Provide sterilization services for everyone in the community regardless of their ability to pay.

The success of the Tuxedo Cat Ball and the continued success of SAFE Haven for Cats are interdependent! With your support of the **Fifth Annual Tuxedo Cat Ball**, we know we can rescue many more cats in 2009.
