SAFE Haven for Cats

Quick Facts

What is SAFE Haven?

SAFE Haven is the Triangle's authentic no-kill shelter for cats and NC's only spay and neuter clinic just for cats. We have been in existence for 15 years and are run by Pam Miller, who has 21 years in non-profit management. We have orchestrated adoptions for more than 3,800 cats and kittens and spayed or neutered more than 6,400. In order to maximize the percentage of every dollar going directly to the care of the cats, we have only 5 full time paid staff members. All other work and love comes from 125 volunteers!

Mission

SAFE Haven for Cats' mission is to maintain a nonprofit, no-kill shelter for stray and abandoned cats and kittens. The shelter's main goals are:

- Bring attention to and alleviate the suffering of stray cats in our community.
- Educate the public about pet overpopulation and promote sterilization.
- Find permanent, loving, safe homes for these animals.

Adoption Program

We just passed another milestone - adopting 3,874 cats and kittens! What a great achievement for our volunteers, staff, and our community. We are completing a major expansion of our adoption program. We have recently added 15 "open adoption hours" per week. In 2008, we found families for 415 cats. This new initiative could add another 500 successful adoptions per year.

Low Cost Sterilization:

In 2008 we sterilized almost 1,500 cats. Our goal for this year is 3,000 sterilizations but we are going to have to expand the clinic to do it. 75% of the cats coming to our clinic have never been to a veterinarian! Most importantly your support makes it possible for every cat to be accepted at the clinic for sterilization – regardless of whether their owners can pay the already low fee or not.

With your support this year we have:

- Adopted 402 cats and kittens. Sixty-three of these cats were rescued from animal hoarders. All but one of these 63 have found their homes.
- Sterilized 1,468 cats and kittens through the SAFE Care Feline Spay Neuter Clinic.
- Partnered with Franklin County Animal Control to save as many cats as possible from this area of the Triangle where, unfortunately, euthanasia rates are very high. To date we have saved over 75.
- Begun an adoption partnership with PETCO near the Triangle Town Center Mall.
- Replaced old enclosures in the shelter with new, spacious enclosures that were specially designed to meet the individual needs of the cats in the shelter.

Up next in 2009:

- Expanded adoption hours
- Expanded SAFE Care Clinic

Today's tough economy is having an impact on the cats. The reality finds fewer cats adopted and more abandoned at our door, or returned when household finances worsen. As of today, over 50 cats are on a list waiting to come into the shelter. We have been through tough times before but we won't give up on these innocent animals until the day when there are no more homeless pets.

\$0.86 of every dollar we raise goes directly to the cats.

Tuxedo Cat Ball

Event Details

April 17, 2009
