SAFE HAVEN  **SAFE CARE**
No-Kill Shelter For Cats Feline Spay Neuter Clinic

The mission of SAFE Haven/SAFE Care:

- Bring attention to and alleviate the suffering of stray cats in our community.
- Educate the public about pet overpopulation and promote sterilization.
- Find permanent, loving, safe homes for these animals.
- Provide a place of belonging not only for stray cats but also for an eclectic group of animal-loving people.

What the Triangle's Authentic NO-Kill Shelter means:

- We were founded in 1994 in a two-car, heated/air conditioned garage!
- We save each and every one of the treatable cats that come to us.
- We take in 500 stray cats a year, provide complete medical care including sterilization and microchips, and adopt them into enduring homes.
- Some cats are not quite perfect, but are still perfectly lovable. These include treatable cats with minor conditions, shy/traumatized kitties and older cats with special dietary needs. Instead of euthanizing, we treat them all.
- In other words, as a no-kill animal shelter, we have a pledge to save every cat we can, no matter what.
- The funds raised from the Tuxedo Cat Ball will allow us to continue to honor our pledge to the cats. The success of this event and the continued success of SAFE Haven for Cats are interdependent! Our overall goal is to continue saving lives of helpless cats and kittens. With your support of the Tuxedo Cat Ball, we know we can rescue many more in 2010.
