

## Cat Care Technician Needed

Do you have a passion for cats? Would you like to be a part of an organization dedicated to saving lives and giving cats a brighter future? If so, you could be the next valued team member of a fast-paced, progressive cat shelter.

We are currently seeking a positive, detailed, and attentive individual to join SAFE Haven for Cats' team. Outstanding powers of observations are required as you are the eyes and ears for what is going on with the cats in the shelter on a daily basis. This person will work closely with SAFE Haven's veterinary team to keep the cats in the shelter healthy and happy.

Primary responsibilities include feeding, watering, and medicating the cats and kittens in our care, daily thorough sanitation of all cat areas, laundry, dishes, cleaning and mopping of floors, and cleaning and maintaining all areas throughout SAFE Haven for Cats, according to policies and procedures. Additionally, this position supervises volunteers in cleaning and socializing the cats in the shelter with diplomacy and friendly authority.

Must have the ability to lift and carry up to 50 pounds; bend and reach; and work with a variety of cleaning agents.

Must have a high-school diploma or GED and at least one year related professional animal experience. Must know how to safely feed, handle, and medicate a wide variety of cats and kittens. Must enjoy working with volunteers. Previous volunteer supervision is a plus.

Competitive wage and health insurance stipend. Please email resume with a cover letter stating why you want this position.
