

SPONSORSHIP OPPORTUNITIES

Dear Friends of SAFE Haven for Cats,

We are going to have amazing night at our **17th Annual Tuxedo Cat Ball on April 22, 2022**. You are an important part of *everything* we do to save lives. There is nothing more important than your support of our largest event of the year.

We do not want to celebrate without you; our adopters, volunteers and supporters who have made it possible to save 51,000 lives. Twenty-seven years ago, SAFE Haven began in a two-car garage with \$800 in cash. Fast forward to 2021 and SAFE Haven for Cats is one of the Triangle's leading animal shelters with many programs and services created with just one goal: To eliminate euthanasia of cats and kittens due to overpopulation.

North Ridge Country Club, Friday, April 22, 2022

SAFE Haven for Cats is grateful for our generous, dedicated sponsors. The funds raised from sponsorships help us take almost 1,000 stray cats every year off Triangle streets and place them in real homes. We thank you for allowing us to increase our lifesaving efforts.
