

Kitten Registry

Kitten season is well underway which means SAFE Haven has lots of little ones scurrying about! That also means we have a lot of need for extra items to care for the cutest cats in our shelter!

Each year in the spring cats typically give birth which contributes to the overpopulation problem. Your donations will enable us to be prepared for all of the new arrivals!

Shop our Registry and then join us for a Kitten Shower on Friday, June 23 from 4 – 8 pm. Bring your gifts to the shelter to celebrate these cute kittens!
